

The City of Upland invites you to participate in Our Next Steps as the community embarks on the General Plan process. The City's new General Plan is intended to create a vision and path for the City over the next 20 years.

The City is beginning this process with two Educational Workshops designed to introduce the community to contemporary planning themes and how they relate to the City's future growth. Some of the topics that will be addressed at these workshops include:

- **Community Identity**
- **Environmental Sustainability**
- **Urban Design**
- **Airport Planning**
- **Economic Vitality**
- **Historic Resources**
- **Arts and Culture**
- **Recreation**
